Dear F.3 Parents,

Revised F.4 Subject Selection Form

In response to the recent introduction of Schools Collaboration Scheme of Music Training for Senior Secondary Students (the Scheme) provided by the Education Bureau, now the school can offer **Music as a third elective**. If a student is successfully enrolled in the Scheme, she has to attend classes on Saturdays outside school.

The school can nominate at most **10 students** to sit a **Selection Test** to be held on 23 May 2009 (Sat) morning. If you wish your daughter to be nominated, please hand in **an application letter** specifying the highest grade obtained in External Music Examination, obtained year and name of award institution in instrument or voice to our Music Teacher , Ms Viola Chan, **no later than 28th April (Tue)**.

In this regard, we are attaching a revised subject selection form to replace the one distributed on April 17th.

In case of further enquiries, please do not hesitate to contact the class teacher.

Yours sincerely,
