

St. Mary's Canossian College 1900

School Song

Under a banner thoughts uplifting,
Speaking high of virtue and love,
Our days are gently drifting
Wrapped in light from high above.

Refrain :

*Of our Lady the name bearing
We come always to the fore
Evil spurning, all good caring;
Live St. Mary's ever more!*

In our mind a healthy knowledge,
In our heart a loved Name,
On our lips a smiling solace,
That all gloomy spirits tames.

Refrain :

The Canossa's loving care
In our hearts may ever be
For the needy; may we dare
For them always raise a plea.

Refrain :

Girls united from all nations
Join we hands in common trust,
Strong of heart and pure in actions,
Thus we'll meet life's sorrows thrust.

Refrain :
