I am pleased to inform you that the Form 2 Parents' Evening will be held as detailed above. The purpose of this gathering is to provide the parents of our Form Two students with an opportunity of meeting other parents of the same class. The occasion also aims at enhancing your communication with our teachers and school administrators.

We realize that students in the junior years may encounter more problems than what parents alone can handle. We hope to give you a general picture of your daughter's performance and to address some of your concerns in order to make this school year more profitable to your daughter's development.

The reply slip, duly signed, is to be returned to your Class Teacher by 9th October, 2017. Thank you for your attention.

各位家長：

開學已一個多月了，初中同學需要面對的問題可能比家長預期的多。為此，我們將於上述日期安排一個家長晚會，讓大家可以有機會直接了解子女在校的情況，或與校長和老師交流教育心得。敬請填妥以下回條，並於十月九日交回班主任。
